My LEFT EYE IS LAZY

# THE PRIVATE EYE CLINIC

## ***Dr Lionel Kowal***

Dr Kowal's main interest is Strabismus (eye muscle disorders). He is the Director of the Ocular Motility Clinic, RVEEH, and a Senior Associate of the Melbourne University Dept of Ophthalmology. He is a founding member of the first Excimer Laser group in Melbourne. Dr Kowal was trained in Australia and at the Wills Eye Hospital in the USA.

## ***Administrative Staff***

Manager is Ms Jacki Wilson.

## ***Orthoptic Staff***

An orthoptist does a 4 year course at Latrobe University to train in ophthalmic office procedures.

The orthoptists are Zoran Georgievski (Strabismus) and Robert Pieri and Karen Davies (General). Most patients are assessed first by the orthoptist.

Ms Wilson will ring the hospital to ask for a room for me,  
my friend Zoran helped  
Dr Kowal make sure my eye  
needed an operation

GOING INTO THE HOSPITAL  
WITH MY BEAR FRED  
I HAVEN'T EATEN ALL DAY

I GET MY OWN SPECIAL ROOM  
WITH A REMOTE CONTROL CHAIR  
TO GO UP DOWN BACK & FORWARDS

I GET ON SCALES TO SEE HOW MUCH I WEIGH, I HAVE MY TEMPERATURE TAKEN TO SEE IF I AM HOT OR COLD FRED AND I HAVE TO WEAR BRACELETS WITH OUR NAMES AND THE NURSE PUTS SOME MAGIC CREAM ON THE BACK OF MY HANDS THAT IS VERY COLD BUT STOPS THE NEEDLE FROM HURTING.

My OPERATION IS OVER!  
FRED WAS DRESSED UP BY THE  
NURSE & IS WAITING FOR ME TO  
WAKE UP HE WAS WITH ME THE  
WHOLE TIME -

THE HOSPITAL SERVED MY  
SANDWICHES JELLY ICE CREAM  
A JUICE IN BED
